

Entrepreneurship Glocal Workshop @ Toei-cho, Aichi prefecture

We will organize a workshop to practically learn entrepreneurship. Group of students who would like to be an entrepreneur or innovator from different countries and local community will experience different activities related to social issues in Toei-cho and come up with unique solutions. Toei-cho is a small countryside in Aichi prefecture where depopulation is serious, but it is peaceful and beautiful place surrounded by nature, people and culture. It is one of the good opportunity to learn entrepreneurial spirit with local people who want to make the region sustainable and get to know Japanese local society. We are waiting for many applications!

Date : 26-30 August, 2019

Contents: Entrepreneurship practical training

- Training prior the workshop (Twice, before summer vacation),
- Attending Tongali school • Field survey and experience in Toei-cho
- Presentation of business plan

Venue: Toei-cho, Aichi prefecture, Japan

Eligibility: International students, University students, Graduate students and Postdoctoral fellows from Universities in Tokai region including Osaka University

Fee: Basically free (participants only cover actual cost such as food)
