

# INTERNATIONAL STUDENT STARTUP SERIES

*Information exchange sessions for students  
considering starting a business in Japan.*

## Episode 1 : **The STARTUP LIFE**

Date: 2022 . 01 . 11 (Tue)

Time: 12:10 - 12:50

### Content

This first session will give international students an overview of life as a startup founder. A number of former and current international students who are engaged in startup activities will be invited to share their experiences and insights, providing candid and meaningful information for international students who wish to start their own businesses in Japan.

**Language** : Main language is English
