## Outline

Mistakes are inevitable, especially common mistakes of early-stage or first-time entrepreneurs (but not only). In this session, we will talk about problem-oriented thinking, creating value and choosing your market wisely. Mr. Nimrod will share with you some of his personal experiences and the best practices to help you improve your chances to make things right with your venture.

## Guest speaker

Mr. Nimrod Kramer  
CEO and Co-Founder of daily.dev

Mr. Nimrod Kramer is a serial tech entrepreneur based in Israel. Mr. Nimrod is the CEO and Co-Founder of daily.dev, a community-driven startup that's building the homepage for every developer in the world. Formerly, Mr. Nimrod co-founded The Elegant Monkeys that developed an Emotion AI technology for the Japanese market. He is passionate about Japanese culture, coffee, table tennis, and helping developers stay up-to-date, not necessarily in that order.
