## Outline

South East Asian startup ecosystem changed drastically past 10 years. During the session, not only David will share about himself and his company, but also he will share about South East Asian startup history. Singapore is know as a paradise for entrepreneurs. We will discover why it is.

## About Pollen & Guest speaker

Mr. David Ng  
CEO & Co Founder

Pollen is a liquidation marketplace, committed to reducing global business waste by connecting sellers of excess inventory with bulk buyers using AI to determine fair market prices. Manufacturers of packaged goods benefit from pricing analytics and sustainability metrics to find the best liquidation outcome that reduces usable products from being disposed in landfills.

David is two time founder of venture capital backed B2B tech startups in Asia. Before that he was focused on managing international business development for a IT service provide from China that went IPO. Originally from Singapore, he grew up and graduated from UC Berkeley along with a law degree from Southwestern Law school in California.
