About company

Gedalya Synergy Resources Ltd (<https://gedalya.com.ng/>) is a company established in 2017, focused on providing agribusiness solutions and engineering services by multi-disciplinary approaches such as, agricultural technology, infrastructure development etc.

Its vision is "To be a world leader in Agriculture, food sufficiency and environmental tranquility", by not only to provide agribusiness solutions and engineering services but also to play a significant role on a global scale.

Outline

Ms. Chia, Vandefan Dorothy
CEO

Ms. Chia, Vandefan Dorothy, the CEO of **Gedalya Synergy Resources Ltd.** She describes herself as a serious-minded agricultural entrepreneur who can create opportunities where there seem to be none. After just a few short years of operation, she and her business partners are poised to transform their local food systems and take agriculture to the next level. We will hear her exciting entrepreneurial stories, difficulties and way forward.
