Innovator's Channel 2023

Unwrapping Venture Capitals (VC) -Get to know the attractiveness of its work and the relationships with startups-
#newlygraduateVC #overseasinvestment #studentstartup

What is VC and its relationships with startups? Working at a Japanese VC, we would hear about what VC is doing, and the importance for them to invest to domestic and international startups. In addition, we will be asking about how it is working as a VC, as newly graduate with an experience of a student startup and an intern at Tongali.
